## RE: Complaint Investigation Onsite Inspection Report

Dear Mr. Anderson,

Enclosed is the report for your on-site laboratory inspection conducted on January 14, 2016 in response to a complaint received by the Colorado Department of Public Health and Environment (CDPHE) on December 14, 2015.

Policies, procedures, corrective action documentation, equipment, test data and personnel records employed in the analyses of Blood Alcohol testing were reviewed and evaluated to determine compliance with the Rules and Regulations of the Colorado Board of Health Relating to Tests for Alcohol and Other Drugs (5-CCR-1005-2).

Please return a written Plan of Correction, with dates of implementation, for any deficiencies referenced in the attached inspection report. The Plan of Correction must be dated, signed by the Laboratory Director and received in this office **within 15 days** of receipt of this report. It may be sent either by email, fax or US mail using the address below.
